

Chief Greenbud

BAND STORY

"

Many people wanted to know where I came up with the name "Chief Greenbud". Well, here is the long and short of it. CHIEF: (chf) v. - Getting blown, or in the act of blazin'. "I'm about to chief a phatty". v. - An action word used for "smoking marijuana", "lets chief!!!" GREENBUD: (grn bd) n. dried flower clusters and leaves of the cannabis plant, usually smoked or eaten to induce euphoria. Yeah, that pretty much sums it up doesn't it. I really hope you enjoy the songs my friends and I have written. We do this not only for our enjoyment but for yours as well, so, I do hope you can get a chuckle out of them. If you would like to hire Chief Greenbud to come and play your event, festival, fair, expo, NORML event, biker rally, private party, or even house concert, please contact me via email through mspace or at chiefgreenbud (at) gmail (dot) com.
